Description:

For courses in Introductory Sociology

A down-to-earth approach to sociology

Essentials of Sociology: A Down-to-Earth Approach highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, author James Henslin stimulates students' sociological imaginations so they can better perceive how the pieces of society fit together. Six central themes guide students through this concise overview of the discipline: a down-to-earth approach, globalization, cultural diversity, critical thinking, the new

technology, and the influence of the mass media on our lives. The **Twelfth Edition** has been extensively revised to include contemporary examples and fresh topics that bring sociology to life.

Also available with MySocLab®

MySocLab for the Introductory Sociology course extends learning online to engage students and improve results.
