Description:

Could the gospel be lost in evangelical churches? In this book, J.D. Greear shows how moralism and legalism have often eclipsed the gospel, even in conservative churches. Gospel cuts through the superficiality of religion and reacquaints you with the revolutionary truth of God's gracious acceptance of us in Christ. The gospel is the power of God, and the only true source of joy, freedom,

radical generosity, and audacious faith. The gospel produces in us what religion never could: a heart that desires God.

The book's core is a "gospel prayer" by which you can saturate yourself in the gospel daily. Dwelling on the gospel will release in you new depths of passion for God and take you to new heights of obedience to Him. Gospel gives you an applicable, exciting vision of how God will use you to bring His healing to the world.
