

don't just work, but last.

In a life that may seem to be all fun and games with an endless supply of balloons, author Maria Goff shows how this life is also lived with intentionality, passionate purpose, and a little planning—all of which make a life rich in legacy. But she had to figure out the help she needed first in order to live the beautiful life God wanted for her and wants for us.

Love Lives Here is a collection of stories that include the ways Maria and her husband, Bob, navigated family their way, without clear instructions or a road map. It's about what they learned to make their lives meaningful and whimsical and how they created a space for their family to grow together while they reached outward.

"What a gift to read *Love Lives Here* and find within it a friend who is as authentic and inviting as Maria Goff. Through her earnest telling of the stories of her life, she provides greater meaning to all our lives. We were thrilled to read this book."

Donald Miller (bestselling author of *Blue Like Jazz* and *Scary Close*) with Betsy Miller

"Grace is a contagious force we all crave and Maria contains so much grace it floods you from just a short time with her. May these pages overwhelm you with God's love, and hope that Maria knows so well."

Jennie Allen, Founder of IF: Gathering and Author of *Nothing to Prove*
