## Description:

My soul was nothing but an ink stain of consequence.  
You made me Canute, the foolish man,  
Trying to turn back the rolling tide of your dark.  
And I drowned.  
I drowned.

Gabriel Hallow is a damaged man. Rock star, producer and public enemy number one, he sees his redemption in quiet, wholesome school teacher Noelle Winters. Crashing into her life like a wrecking ball, he smothers her innocence and leads her down the razor's edge between submissive and victim, opening her eyes to things she didn't even know could happen between a man and a woman. Overwhelmed by his generosity and charm, how far will she go to save his soul? And when is it too late to turn back?

With bondage and multiple scenes of a sexual nature, this descent into the darkest parts of the human psyche is not for the faint of heart, or the under 18s.
