Description:

In hand, online or mobile...the all-in-one, go-to source for classroom, clinic, and beyond.

See what students are saying about the previous edition...

Thorough reference book

"I could have googled a lot of the terms instead of buying this, but I really like having a physical copy of reference materials. This book has done a good job of defining medical terms. It is better than Google because you don't pull up 14 different things with similar names—ONLY the medical definition."

—R. M. Cook

Great resource for nursing students!

"The Bible for Nurses creating care plans! Has everything you will need; disease definition, symptoms, NANDA's, interventions. A must-have for students!"

—Dora Duran

Required textbook for first-year nursing school, but it will serve me well for many years

"My favorite aspect is that it came with a 1-year subscription to Taber's Online."

—PD Smith

Taber's brings meanings to life.

Put the language of nursing, medicine and the healthcare professions at your fingertips. In hand, online, or on your mobile device—anywhere and everywhere, Taber's 23 is the all-in-

one, go-to source in the classroom, clinical, and beyond.

Under the editorial direction of Donald Venes, MD, MSJ, a team of expert consulting editors and consultants representing nearly every health care profession ensures that the content reflects the most current healthcare information.

- **FREE, 1-year subscription to Taber's Online**, powered by Unbound Medicine—puts all of the knowledge of Taber's at your fingertips.
- **Videos and animations**—demonstrate common procedures, a brief physical assessment, and physiological processes
- **Over 33,000 audio pronunciations**—build speaking confidence.

Go beyond the book...

An access code inside new printed texts unlocks a wealth of *DavisPlus* Student Premium resources that make learning and studying easier, while another code unlocks the free, 1-year subscription to Taber's Online.
