Description:

From School Library Journal Grade 9 Up-Five hundred entries have been added to this update of

the 2000 edition, bringing the total to 10,500. Many of the new words come from the fields of technology (blogosphere, Easter egg, LOL), current events (SARS, Amber Alert), and pop culture (speed dating, shout-out). The dictionary follows standard arrangement, but is enhanced by notes on usage, history, regionalisms, social aspects of language, and nuances of meaning, as well as illustrations (most in full color) and a pronunciation guide on every page. Proper names and famous people are also included, considerably expanding this book's usefulness. A solid, up-to-the-minute resource and a worthwhile purchase for libraries.-*Kathleen Kelly MacMillan, Carroll County Public Library, MD*

About the Author

The Editors of the American Heritage Dictionaries are a team of professional lexicographers with advanced degrees in various scholarly fields. The editors familiarize themselves with the vocabulary in specific subject areas, collect materials on new developments and usage, and work with expert consultants to ensure that the content of our publications is as accurate and as up-to-date as possible.
