Description:

It's a great time to be a beer drinker, but also the most confusing, thanks to the dizzying array of available draft beers. Expert Joshua M. Bernstein comes to the rescue with *The Complete Beer*

Course, demystifying brews and breaking down the elements that make beer's flavor spin into distinctively different and delicious directions. Structured around a series of easy-to-follow classes, his course hops from lagers and pilsners to hazy wheat beers, Belgian-style abbey and Trappist ales, aromatic pale ales and bitter IPAs, roasty stouts, barrel-aged brews, belly-warming barley wines, and mouth-puckering sour ales. There is even a class on international beer styles and another on pairing beer with food and starting your own beer cellar. Through suggested, targeted tastings, you'll learn when to drink down-and when to dump those beers down a drain.
