Description:

The New York Times bestselling series that inspired the international hit video game: *The Witcher*

Geralt is a witcher: guardian of the innocent; protector of those in need; a defender, in dark times, against some of the most frightening creatures of myth and legend. His task, now, is to protect Ciri. A child of prophecy, she will have the power to change the world for good or for ill -- but only if she lives to use it.

A coup threatens the Wizard's Guild.
War breaks out across the lands.
A serious injury leaves Geralt fighting for his life...
... and Ciri, in whose hands the world's fate rests, has vanished...

The Witcher returns in this sequel to *Blood of Elves*.
